Mathematics Extension 1	1 Unit	Software Engineering	2 Unit

*Arabella has demonstrated diligence, focus and persistence throughout her time at St Andrew's Cathedral School. A highly capable student, she has consistently set demanding standards for herself and worked resolutely towards achieving them. More broadly, in other aspects of her school life, Arabella has approached her responsibilities with a clear sense of efficacy, reliability and commitment. She has been servant-hearted in her commitment to House activities, from being a Peer Support leader to being a House Officer and she has been a role model for others in her willingness to participate. She is a reflective and honest person whose loyalty and integrity have seen her develop a strong circle of good friends.*

Dr Julie McGonigle

Head of School

ST ANDREW'S  
CATHEDRAL SCHOOL
